# MAKING a scene

Making A Scene Drama Camps are for boys and girls aged 10 to 17, and are located on the University of Saskatchewan campus. This camp brings together young people for an exciting summer of creativity, informal learning and fun!

For complete beginners as well as experienced young actors, Drama Camp is the perfect place to develop creative skills. Drama Camp is a safe and nurturing environment where community is emphasized, friendship valued and personal growth celebrated. Staff are chosen not only for their exceptional acting skills, but for their ability to be outstanding role models for young people.

The program includes plays, monologues, mime, improvisation, theatre games, musical theatre, work with simple sets and costumes.

## Improvisation

Bring out the best in yourself by learning “to live in the moment” on stage. Improvisation is acting without a text – here and now! It is the greatest fun and, once you’re at home in the technique, you will love it forever!

## Characterization

Become someone else! We’ll show you how. Unwrap those many other people you carry inside you. It’s a new world that only actors know exists. Join the explorers of that inner world!

## Voice and Movement

You want to be heard on stage? You want your body to work for you? It’s easy – once you know how – and we’ll show you how. No special skills required – just simple, fun techniques for improving your voice and movement.

*Classes will be held in the John Mitchell Building,  
on the University of Saskatchewan Campus.*
