### Notes.

1. This sheet describes only the minor in Economics components of the program. You must also comply with the Arts and Science requirements for your degree.
2. It is recommended that students also take Econ 211 and 214. Students considering further studies in economics should include these courses in their program.
3. STAT equivalents to Econ 204 and Math equivalents to Econ 305 and 306 **cannot** be used to meet these program requirements.
