ABOUT...

# RESOURCES

Receive FREE, unrestricted, and on-demand access to these academic resources.

## PLAN CANADA

Plan Canada is CIP's official magazine. Published every quarter and available to student members digitally, the magazine features informative articles on innovative projects and research in Canadian planning.

## THE HUB

The Professional Learning HUB is a centralized site that includes recorded webinars and conference presentations, resources, and documents. The HUB is ideal for accessing free content and sourcing best practices in planning from across the country.

## CIP'S CORE WEBINARS

CIP's core webinars are FREE for Student Members, guaranteeing exclusive access to experts and industry leaders with information on the latest planning topics.

## ZONING TRILOGY

Access North America's top zoning reference guide and planning term dictionary to better understand the complexities of land use regulations. CIP members receive free, personal subscriptions to Zoning Trilogy, valued at \$99.

## RESOURCE LIBRARY

CIP's Resource Library is an archive of planning literature, master plans, and other planning documents, organized by subject and stored in one centralized location.

BUT WAIT...

...THERE'S MORE!
