

An Interdisciplinary Program is an academic program which permits students to study beyond the boundaries of traditional disciplines or disciplinary programs, to explore in depth relationships among certain disciplines and to integrate the knowledge gained into a central theme. The College offers interdisciplinary programs which require students to take a variety of prescribed and elective courses from several disciplines. Each program is run by an Administrative Committee. Students interested in an interdisciplinary program should contact the Administrative Committee Chair for more information.

For the most current program requirements refer to the online University *Calendar*:

Aboriginal Public Administration

(B.A. Four-year and Honours)

Chair: Professor J. Garcea

Department of Political Studies

ARTS 274 966-5222

Bioinformatics

(B.Sc. Four-year and Honours)

Chair: Professor A. Kusalik

Department of Computer Science

SPINKS 424 966-4904

Biomolecular Structure Studies

(B.Sc. Four-year and Honours)

Chair: TBA

Biotechnology

(B.Sc. Four-year and Honours, B.A. Four-year)

Biochemistry & Biotechnology

Chair: Professor M. Pato

Department of Biochemistry

HLTH A4.1 966-4376

Biology & Biotechnology

Professor P. Bonham-Smith

Department of Biology

ARTS 229 966-4274

Microbiology & Biotechnology

Professor C. Havele

Department of Microbiology & Immunology

HLTH B662 966-4320

Classical, Medieval & Renaissance Studies

(B.A. Four-year and Honours, Minor)

Chair: Professor F. Klaassen

Department of History

ARTS 718 966-5775

Community Planning & Native Studies

(B.A. Four-year and Honours)

Chair: Professor R. Laliberte

Department of Native Studies

KIRK 129 966-6211

Environment & Society

(B.A. & Sc. Four-year and Honours)

Department of Geography

KIRK 125 966-5654

Environmental Earth Sciences

(B.Sc. Four-year and Honours)

Chair: C. Westbrook

Department of Geography & Planning

KIRK 43 966-1818

Food Science

(B.Sc. Four-year and Honours)

Chair: Professor N. Low

Food and Bioproduct Sciences

College of Agriculture & Bioresources

AGRI 3E18 966-5037

Interactive Systems Design

(B.A. & Sc. Four-year)

Chair: Professor R. Mandryk

Department of Computer Science

THORV 373.1 966-4888

International Studies

(B.A. Four-year and Honours)

Contact: Blair Pisiso

ARTS 283B 966-1666

Linguistics

(B.A. Three-year and Four-year and Honours)

Chair: Professor V. Makarova

Department of Languages and Linguistics

ARTS 508

966-5641

Mathematical Physics

(B.Sc. Honours)

Chair: Professor J. Brooke

Department of Mathematics & Statistics

MCLN 233

966-6089

Northern Studies

(B.A. Four-year and Honours, Minor)

Chair: Professor Greg Poelzer

Department of Political Studies

ARTS 280.1

966-1607

Palaeobiology

(B.Sc. Four-year and Honours)

Chair: Professor G. Mangano

Department of Geological Sciences

GEOL 346

966-5730

Public Administration

(B.A. Four-year and Honours)

Chair: Professor J. Garcea

Department of Political Studies

ARTS 274

966-5222

Regional & Urban Planning

(B.A. Four-year and Honours)

Chair: Professor R. Patrick

Department of Geography and Planning

KIRK 116

966-6653

Toxicology

(B.Sc. Four-year and Honours)

Chair: Professor M. Wickstrom

Veterinary Biomedical Sciences

College of Veterinary Medicine

TRC 13

966-7446
